U.S. BANKRUPTCY COURT
MARY A. SCHOTT, CLERK

Yes Sir

My name is Robert
Woolf. I had someone
from Cash Clover call me
up and talked me into
buying \$90 worth of BTC
coins. Saw I could use
them on different web
sites. When I went to
use them, I didn't have
anything in my account.
I believe they owe me
\$90. Don't know where
that money went. Thank
you for your help

Robert Woolf
